RCA Warranty Policy for 13" LCD Flat Screen styles L1325S and L1325 purchased from JACK L. MARCUS, INC.

Both styles have a 180 day parts and labor warranty, as stated in the information booklet supplied with the TV. All TV's purchased from Jack L. Marcus, Inc. and returned under the warranty must be sent to Jack L. Marcus, Inc., NOT RCA. All TV's returned to us for warranty service will be inspected to determine the type of defect involved. This warranty will be VOIDED if the defect was caused by tampering, misuse or mishandling. Otherwise, defective TV's will be replaced by Jack L. Marcus, Inc. with a new set if returned within 180 days from the date of original purchase.

If the defective TV is returned after 180 days but within 1 year of original purchase, we will replace the TV if it is returned along with a \$90 money order or facility check made payable to JACK L. MARCUS INC. The \$90 fee is to cover the estimated out of warranty repair costs. The set is not warranted after 180 days. This fee is subject to change. If the TV is returned after the 180 days, but within 1 year of original purchase without the \$90 payment, the TV will be held until the payment is received. TV's held longer than six months without payment, will be considered abandoned and will be destroyed. After one year from the original date of purchase, TV's cannot be returned.

To obtain warranty service, follow the instructions above and send the TV postage prepaid to:

DIGITAL FLAT ANTENNA

4522

Artec® AN2 Digital Flat Antenna

The Artec Digital AN2 Digital Flat Antenna is a lightweight passive antenna, no extra power is required. It is also user-friendly and has a universal stand with 5 ft. (approximate) coaxial cable. It helps you receive the new digital television signals being broadcast over the air in your area. This Antenna also works with our Sangean® WR-ICL (Item #4426) and WR-2CL (Item #4427) radios shown on page 5. Antenna may not enhance reception at all facilities.

4522 \$12.50

Shipping Weight: 7.5 oz.

Clear Tech Warranty Policy for CT TV L8 & L13:

Clear Tech CT TV L8 (shown on page 32) & L13 Warranty Information: Beginning on the date the television is sold, there is a 60 day warranty period during which any manufacturing defect will be covered by warranty. In the event of malfunction, the purchaser must send the television to the repair center:

**Clear Tech Returns
Stanton TV Service
272 E. Main Street
Elmsford, NY 10523**

at the purchaser's expense, along with a note listing their name, facility address, ID # and a description of the problem. The purchaser will also need to send documentation showing the date of purchase. The television will be repaired or replaced provided that the defect was a manufacturing defect. The unit will be shipped back to the purchaser at the repair facility's expense.

If the malfunction or problem is determined to have been caused by misuse, abuse, or mishandling of the item, the purchaser will be notified that the defect is not covered under warranty and given a price quote on how much the repair will cost, plus a quote for return shipping.

After the 60 day warranty period has elapsed, the purchaser may have the television repaired by Stanton TV Service if required. The purchaser will need to send the television back to the repair center along with a description of the problem. The purchaser will then receive a quotation from the repair center by mail, detailing the cost of parts and labor for the repair, plus shipping. Upon receiving payment, Stanton TV Service will make the repair and ship the television to the purchaser.
